Summer Performance Workshop

Ages 8-13

Monday-Friday 9am -3pm, June 30th-August 1st
Directed by Diana White and Anastasia Edery

The Performance Workshop, now in its 17th successful year, is an intensive program designed to give intermediate level ballet students the experience of what it would be like to work in a professional company.

Our daily schedule is as follows: Dancers arrive at 9 a.m. At 9:15 there is a stretch and floor exercise class followed by a ballet technique class. Pointe-work is included for students aged 10 and older. The morning section finishes at 11:30 or 12 noon, depending on the day's afternoon schedule. After lunch, the dancers divide into groups and rehearse for the final performance, which will take place on Thursday evening, July 31st. The performance program will include a classical ballet, a jazz or musical theater number, and a character dance, as well as pieces choreographed by the students themselves. All classes are taught by Scarsdale Ballet Studio faculty members. Please visit our studio website, www.scarsdaleballetstudio.com for faculty biographies.

The tuition for the five-week program is \$1,425. Enrollment is limited to 24 students. Dancers should bring their own lunches, leotards and tights, ballet slippers, pointe shoes if applicable, and heeled character shoes. Jazz shoes are optional. A nominal costume fee may apply.

Morning Ballet Intensive

Dancers ages 8-13 may choose to attend mornings only for the stretch and ballet technique classes. However, they will not participate in the final performance. Because class size is limited, priority will be given to those who attend the full day session. The tuition for the morning session is \$850. Enrollment begins May 1st.

Junior Ballet Workshop

Ages 4-7

Monday- Friday 9 am- 12 noon, June 30th-August 1st
Directed by Maria Posey

The Junior Ballet Workshop is a program especially structured for the younger aspiring dancer. Daily activities include a basic ballet class, stories, games, and crafts. Children will take part in the final performance on Thursday evening, July 31st. Children should arrive at 8:45 dressed in leotard and tights of any color and with their ballet slippers and a snack. Tuition for the five-week session is \$875. Those who wish to attend on a weekly basis may do so at the rate of \$195 per week, but they must attend the final week in order to participate in the performance. Enrollment is limited to 18. Priority will be given to those attending the entire session. Registration for weekly sessions opens on May 1st.
